

Shade TOUYA 45 in coton gris with ring in coton schiste

SHADE TOUYA 45

Cylindrical round shade Ø45 cm, delivered with an integral diffuser that completely closes down.

TOUYA is a shade that has at its center, a second shade that "revolves" around him. This shade "ring" is lined with opaque material to prevent unpleasant shadows from the interior

TECHNICAL DATA

The shade and the diffuser are easily placed after the complete installation of the suspension
