

ATRIA 1 MOBILE

ATRIA 1 MOBILE in structured white

ATRIA 1 MOBILE is a large square ceiling light for one 111mm diameter bulb, adjustable over 40°

This ceiling light is discreet and easy to install and very useful to add more brightness to your interior, thanks to the light power of an AR111 bulb. This bulb works with 12V current, which is supplied by a transformer, integrated in the base of the luminaire

The originality of the **ATRIA** spotlight lies in its square and rectangular shape which gives it a beautiful contemporary look, a very modern design

This marvellous spotlight is available in a beautiful range of single or double spotlights, fixed or mobile
