

Shade KENTIKA 55 FINE in seta nuit

## SHADE KENTIKA 55 FINE

Cylindrical round shade Ø55 cm SUPER EXTRA FLAT, delivered with an integral diffuser that completely closes down.

Under reference KENTIKA FINE there are 4 different diameters with a choice of 160 different colors and materials. Under reference NEFERKARE FINE there are 4 different square models

### TECHNICAL DATA

The shade and the diffuser are easily placed after the complete installation of the suspension

### ADVISED SUSPENSIONS

The very small height of this shade implies that the bulbs are placed horizontally. It is therefore designed for suspensions with NOURRICE (4xE27) :

SUSPENSION o TUBES NOURRICE : with this suspension the top of this shade can be suspended between 21.5 and 121.5 cm from the ceiling

KENTIKA NOURRICE : with this suspension the top of the shade is 11.5 cm from the ceiling

KENTIKA CEILING : with this suspension the top of the shade is 6.5 cm from the ceiling

KENTIKA SHORT CEILING : with this suspension the top of the shade is 2.5 cm from the ceiling

KENTIKA FINE CEILING : with this suspension it is placed on the ceiling

### SHADE SIZES

Ø 55-55-13 cm (4xE27)
