VESTA +SW

VESTA with switch in light bronze. Metal finish code: 28

VESTA is a wall light with a contemporary design with square and rectangular shapes. It can easily be integrated into a modern or classic interior. There is a model that can be placed on the left side of the bed and another to place on the right side, in order to facilitate the grip of the bar attached to the dome
The adjustable dome is equipped with a high-power LED which ensures an astonishing result with minimum energy consumption. Warm and generous light. A reading light and a desk light are associated with this wall light and this model exists without switch, see VESTA -SW
