

VEGA AP

VEGA AP in brushed bronze

VEGA AP is a small, practical reading light with a flexible and an articulated spotlight

The bulb is completely hidden by the spotlight

A classic reading light to be placed next to a bed, on the uprights of a bookcase or on top of a picture or painting

The spotlight is designed for a GU10 bulb that operates without a transformer and is easily dimmable by use of an external dimmer

A rocker switch is installed at the bottom of the wall base
