

## KARY rect

KARY brushed bronze with lampshade Jacinthe Naturelle (material cat.5)

**KARY rect** is a wall light with a rectangular lampshade and reading light to be placed near a bed. The arm has an E27 fitting with a ring to fix a rectangular lampshade. The reading light consists of a flexible that ends with a LED spot that emits a warm and concentrated light. This wall light has two switches that control the lampshade and the reading light separately, so you can choose between soft and/or reading light. This high-quality fixture is traditionally made of solid brass and is accentuated with beautiful finishes. For the lampshade, which will provide a warm atmosphere we offer you a choice of many shapes, fabrics and colors. This will allow you to integrate this elegant wall light into your decoration.
