SUSPENSION o

SUSPENSION o in brushed bronze

To place a lampshade on the ceiling or to suspend it, we offer you a wide range of ceiling lamps or suspensions

SUSPENSION o is a suspension where the lampshade is fixed to an E27 fitting by a fixing ring. A 2m long electric cable, adjustable during assembly, connects the fitting to a round ceiling base

If you are looking for a lampshade that can be adapted to the **SUSPENSION o,** you will find lampshades called **TOUYA** and **KENTIKA**, which can only be placed on an E27 fitting, in our LAMPSHADES TO HANG range

OVERALL SIZES

Ø10cm H8→208cm

BASE
