

MERCURE ROUND 4

MERCURE ROUND 4 in brushed bronze

MERCURE ROUND 4 is a ceiling light with four spots, distributed on a round base

This ceiling light is sober, easy to install and essential to add more luminosity to your interior. To increase its efficiency, there are GU10 bulbs of very high power and dimmable on the market

The originality of the **MERCURE** spotlight is its minimalist design. Closely surrounding the fitting and the lower part of the bulb, this spotlight is presented in an attractive range of ten models, from one to six spots, distributed on round, square or rectangular bases

The majority of these bases are embellished with a beautiful, robust and highly decorative overhanging plate
