

OURANOS 2

OURANOS 2 in brushed brass. Metal finish code: 25. Structured black inside

OURANOS 2 is an imposing rectangular ceiling light that can be installed in a false ceiling. He consists of a black housing in which two mobile spotlights for GU10 bulbs are installed. After installing this box in the false ceiling, a brass frame remains visible around the box. The main advantage of this high quality ceiling light is that the frame has a wide range of finishes, all of which are remarkable
