

## OURANOS 1

OURANOS 1 in light bronze. Metal finish code: 28. Structured black inside

**OURANOS 1** is an imposing square ceiling light that can be installed in a false ceiling. He consists of a black housing in which a mobile spotlight for GU10 bulb is installed. After installing this box in the false ceiling, a brass frame remains visible around the box. The main advantage of this high quality ceiling light is that the frame has a wide range of finishes, all of which are remarkable. There is a model with two spots.
