

UP 300

UP 300 in brushed bronze

Uplight, indirect lighting with a very high intensity, to be placed invisibly in a rail or on the top of a wall, a piece of furniture or a beam

UP 300 is equipped with a high-power LED module and the luminosity emitted by this reflector is very impressive

The luminaire has two mounting brackets that allow it to be adjusted upwards and in all directions (190°)

OVERALL SIZES

H6 → 9cm

TECHNICAL DATA

One LED module integrated in the reflector:

consumption 30W brightness 2900lm color temperature 2700°K

No driver this LED module works directly on 230V

Dimmable luminaire

The reflector can be rotated to 180°

Reflector dimensions: 21,5 x 8,5cm H4,5cm
