

AHMOSIS -SW

AHMOSIS -SW in brushed bronze with lampshade in Parma Régliée (fabric from category 4)

With its double articulated arm, which allows the light dimmed by the lampshade to be brought closer together, **AHMOSIS** is certainly the most functional wall light to be installed in a bedroom next to a bed. For its square lampshade, which will create a warm atmosphere and a beautiful luminosity, we propose you to choose between many materials and colors. This will allow you to better integrate this elegant wall light in your decoration. This model is available with a push-button switch, see **AHMOSIS +SW #**
