

AXELL 90

AXELL 90 in light bronze

AXELL 90 is a suspension with a fixed reflector, directed downwards. Superb suspension, designed by Nicolas GALAND, a talented Belgian designer. It surprises by its two widely off-centre tubes

AXELL is made entirely of brass by craftsmen who combine to perfection all the traditional and current techniques and the finishes offered are remarkable

A LED module, with a warm and generous light, is integrated in the reflector

AXELL can easily be placed above a desk, table or worktop

We offer this suspension in two sizes
