TABELLA

TABELLA in light bronze with lampshade in Jacinthe Naturelle (material from category 5)

Extraordinary! A table that charges mobiles

This small floor light, which can be placed next to a sofa, is equipped with an electrical outlet within easy reach to safely charge your smartphone

TABELLA is composed of a round wooden shelf, a table light with lampshade, attached to the shelf. The electrical outlet for charging all types of mobile phones is located at the back of the table light base

There are many shapes, materials and colors available for the lampshade. This will allow you to easily integrate this beautiful table into your living room
