

HOTEL (bed headboard)

Wall lamp for bedboard in brushed bronze with cilindrical lampshade in Stone Calcite (fabric from category 4)

HOTEL WALL LIGHT DESIGNED TO BE PLACED ON A BED HEADBOARD

Wall light for a hotel room, consisting of a solid brass decorative plate. It is fixed to a rectangular cut-out in the bed headboard

Two great advantages. A huge variety of options are available (see our technical data) and a wide range of finishes. A top-of-the-range light that's truly remarkable

BASE

As shown: 7.5 x 25 x 0.3cm (other dimensions on request)
