

HOTEL (head end of the bed)

Wall lamp for bedboard in light bronze with cylindrical lampshade in Coton Pirée (fabric from category 1)

Wall light for hotel room (custom made : min.12 pieces) for the head end of the bed

The arm is equipped with a fitting and/or a lampshade. The reading light is composed of an LED spotlight that provides a warm and concentrated light for discrete reading. This wall light has three switches that operate the lampshade and the reading light separately, allowing you to choose between ambient or reading light. The third switch can be used for general or partial lighting of the room
