

AXELL 120

AXELL 120 in light bronze

AXELL 120 is a suspension with a fixed reflector of 124cm, directed downwards
Superb suspension, designed by Nicolas GALAND, a talented Belgian designer. It surprises by its two widely off-centre tubes

AXELL is made entirely of brass by craftsmen who combine to perfection all the traditional and current techniques and the finishes offered are remarkable

A LED module, with a warm and generous light, is integrated in the reflector

AXELL can easily be placed above a desk, table or worktop

We offer this suspension in two sizes
