SIMBA 12 o58

SIMBA 12 o58 in brushed bronze with lampshades in Raphia Nature and Raphia Banane (materials from category 3)

The assembly of lampshades of different diameters creates a fixture full of movement, imbalance and organised disorder. This is the originality of the **SIMBA** suspension with twelve conical lampshades
Natural materials such as Raphia from Madagascar give it an African look
This suspension can easily be placed in a hallway or over a large table. Installed in a stairwell, with a distribution of lampshades on each level of the house, will give the most beautiful effect
It is possible to create smaller compositions, please consult us
