

MALLAWI FLOOR

MALLAWI FLOOR in light bronze with lampshade in Jacinthe Naturelle (material from category 5)

MALLAWI FLOOR is a powerful floor light with four E27 bulbs

The lampshade appears to be suspended around an all-brass profile, a surprising design for this prestigious floor light. Very efficient, she is mounted on a solid and heavy base for exceptional stability. With its E27 fittings, it's easy to change the LED bulbs

Its cylindrical lampshade is closed at the top and partly at the bottom, to hide the bulbs from view. A solid brass construction that has been carefully crafted by our artisans

In order to better integrate this superb lamp in your interior, you have at your disposal many fabrics, materials and colors to make a warm lampshade

OVERALL SIZES
