

TOKYO

TOKYO suspension in light bronze

TOKYO is a superb pendant lamp designed by Belgian designer **Nicolas GALAND**. All in brass, with a pretty black textile cable, this suspension has two luminous parts, a spotlight at the bottom that projects a lot of light and a more discreet atmosphere at the top

TOKYO is made of brass by craftsmen who combine modern and traditional techniques to perfection. This high quality product is available in a number of outstanding finishes

TOKYO is height-adjustable when installed, making it easy to place beside a bed, above bedside tables, or to light a work surface or bar
