TULIP

TULIP in light bronze. Metal finish code: 28

With its *''vegetable''* spotlight design, the **TULIP** reading light has everything it takes to be harmonious and elegant

The spotlight is mounted on a flex that can be oriented in all directions. It is fitted with an LED module that works without a driver. It is highly efficient and its dome diffuses a warm light

The processing of brass to create **TULIP** is admirable, and the high quality result stands out in the finishes on offer, all of which are remarkable

In a bedroom, it is very practical and allows you to read without disturbing a partner
