EC DECLARATION OF CONFORMITY GLOW WIRE TEST

The manufacturer,
DAVIDTS LIGHTING sprl - chaussée de Waterloo, 850-856 - B - 1180 Brussels – Belgium
www.davidts.com - info@davidts.com
represented by Vincent DAVIDTS, manager,

certifies that this EC declaration of conformity to the glow wire test is issued under his own responsibility and that it belongs to the lampshades described below :

- references : lampshades of the luminaire CALPE
- manufacturing number code: 1986
- group of the *Lighting Collection* : Wall lamps - Suspensions and/or with lampshades.

says that for the lampshades :

Glow wire test is applicable, because they are consisting entirely of fabric glued on PVC.

A test report is attached to this declaration (VPF/laboratories Pourquery ref. # LP01648 / P070033/O of April 3, 2008).

Material for the lampshades meets the trials on risk of fire defined in standard EN-60.695-2-1.
